Dear Parents/Carers

Choosing a primary school for your child is a very important decision. This document folder contains some basic information on our school for your consideration.

Sunshine Primary School is a small, but growing, school, currently with an enrolment of 180 students. Our students are encouraged to reach their full potential in a safe, supportive and stimulating environment. The staff are highly dedicated and committed to giving every child the opportunity to reach their full potential. Our emphasis is on Inquiry based learning where students engage and enjoy learning across all areas of the curriculum.

The school prides itself on many extra curricula activities such as:

- Comprehensive Sport and Physical Education including PMP
- Student Wellbeing Program

The main building was completed in 1930. The classrooms are large and attractive with heating and cooling. Ongoing maintenance and improvement has resulted in each room being equipped and furnished in a manner we expect. Every classroom has an Interactive Whiteboard, computers connected to the school network, access to Laptops and the Internet.

The school has recently undergone refurbishment of the library and a state of the art building project (incorporating a multipurpose room, canteen, art room, vibrant Prep Wing and completed oval project.

To ensure the transition process is a smooth one, a number of activities are planned for our Prep enrolments before the commencement of 2016. These include transition sessions for the children and information sessions for parents.

If you are interested in further information and a tour of the school, please contact the Principal. Enquiries are always welcome.
