MESSAGE FROM THE PRINCIPAL

SCHOOL COUNCIL NEWS

We welcome Jake (Elwyn’s Dad) and Hayley (Ruby and Willow’s Mum) to our School Council. We also welcome Sonia (Jasmine and Alex’s Mum) as our new School Council President. Sonia is at the school regularly so feel free to have a chat and share any ideas you may have for School Council to address.

2016 SCHOOL COUNCIL PROJECT

This year the School Council project will see the student toilets being upgraded. Work will start shortly with door repairs, tiling, painting, lighting upgrade and the replacement of locks and seats. These projects are made possible thanks to our families who contribute to the School Council Project component of the Book Pack each year. We look forward to seeing the transformation.

SOMERS CAMP

A reminder to parents that Somers Camp expression of interest forms are due back by Monday 6 June.

SCHOOL CAPTAINS & JUNIOR SCHOOL COUNCIL

Our student leaders are doing a wonderful job with their ideas and fundraising this year. Well done to every-one who participated in the crazy hair/crazy clothes day. You managed to raise $128.50 making the total amount of funds raised $340.

The 5 cent challenge wraps up this week with students lining up their coins tomorrow at 2:30pm on the basketball court. Parents are welcome to come along and support the students.

SPECIAL TREAT DAY

Chocolates will be on sale for $1.00 on Thursday 9 June from the shopfronts in the playground.

RE-HEATING FOOD

As the weather is getting cold we would like to advise parents. That due to food safety and handling regulations, we are not able to heat any food brought from home for students. Hot food can be purchased from the canteen menu — Monday’s, Wednesday’s and Friday’s.

PARENT TEACHER INTERVIEWS

We will be holding Parent Teacher Interviews on Wednesday 22 June from 2:00pm to 6:30pm. Please remember that you need to make a booking for each of your children.

A note will be sent home soon with the eldest child in each family with details of the website and event code for bookings.

ENROLMENTS FOR PREP 2017

It’s that time of the year where we commence our formal process of enrolments for Prep students commencing school in 2017. Students will need to turn five years of age by the 30 April, 2017. If you have a child who will be coming to school for the first time in 2017 please complete an enrolment form, (available from the office), at your earliest convenience. I would also appreciate it, if parents would let other families in the community know that we are currently accepting enrolments for next year. New parents to the school are encouraged to make an appointment to see myself for a tour of the school.

Student Absence

To report your child’s absence please call the school on 8311 5700 and choose option 1 OR use the link on our website and complete the absence form.

Notices Online

Did you know you can read and print out excursion permission forms and notices from our website? The initial notice will be given to students, and any further copies can be obtained from the office or the website, under the “Recent Notices” section at www.sunshineps.vic.edu.au

Payments

A reminder if you wish to pay for your child’s/children’s incursion/excursion etc… costs, you can pay cash, cheque, and now BPays.

If you have misplaced your reference number please call the office to obtain your family reference number.

The 40 km/h speed limit is in effect from 8:00 am to 9:30am, and from 2:30pm to 4:00pm on school days. The regular 60 km/h limit applies outside these times.

Year 1/2 Excursion to Werribee Open Range Zoo

Luka  Crocodiles hunt by waiting under water to attack animals.
Sarah  Red kangaroos can jump 3 metres off the ground.
Thien  Cheetahs are camouflaged with big rocks because they are yellow and black. They are carnivores and mammals.
Eray  Monkeys use their tails to communicate.
Jaskaran  A sugar glider flies like a kite.
Wesley  Koalas sleep in the morning. They don’t sleep at night. They are nocturnal.
Alivia  I saw big kangaroos at the Werribee Zoo. It was fun.
John  Lions and hyenas steal cheetahs’ prey.
Ruby  Emu eggs are green for camouflage.
Paityn  Meerkats are very cute!
Lillian  Crocodiles live in water holes. Emu eggs are dark green for camouflage so animals do not take or eat them.
Jaskirat  Cheetahs can run fast and jump really far.
Felicity  Cheetahs can run 8 metres per step.
Leah  When a giraffe eats bark from a tree the tree dies. Lots of animals hibernate.
Yuvraj  When monkeys move their tails it means something.
Alex  Sugar gliders are cute. They are nocturnal.
Jade  On Tuesday 1/2M and 1/2P went to the Werribee Zoo. First we had our snack. After our snack we went on the bus tour. The lady said a camel's humo had fat in it and we also went in this bit of the zoo where it had all of these things to do. We could dig for buhs, water plants, look at animals’ poo and guess what animal’s poo it is.
Rowan  On Tuesday 1/2M went to the Werribee Open Range Zoo. We went to explore habitats. I learnt that lions and hyenas steal cheetahs’ prey.
Filip  On Tuesday we went to the Werribee Zoo. We saw a big lion. The lions steal their prey.
Charlie  On Tuesday me and grade 1/2s went to the zoo. It was so fun. My favourite animals were the lions and the cheetah. I learnt that animals are sometimes camouflaged. That is when an animal is brown and a tree is brown and the animal gets near the tree.
