MELBOURNE'S WEST
ASD NETWORK
PROUDLY PRESENTS WITH

LEGO JUNIOR MASTER BUILDER

**ARE YOU AN ASPIRING LEGO JUNIOR MASTER BUILDER?
DO YOU HAVE YOUR OWN LEGO CREATION (NOT A SET)?**

**If you answered yes to these two questions then we
would like to invite you to apply as a JUNIOR EXHIBITOR
@ Melbourne's West ASD Network LEGO Exhibition
on Sunday the 21st of October - 9.30am to 3.30pm
@ The Substation, Newport**

**Interested? All you need to do is send us a photo of your
original building design and if your build is approved, we
will send you an official application form for your
carer(s)/parent(s) to complete.**

Please send photos to twinmum22@gmail.com

FINE PRINT - ADULTS PLEASE NOTE

**While there will be some LEGO Sets on display at the exhibition,
we need some criteria around children participation so that we are
not overwhelmed with commercial sets.**

**Our goal is to celebrate creativity. Therefore, no LEGO Sets will be approved.
We ask that builds be exclusively the work of the junior kids
(not the big kids- LOL).**

**We don't want kids to be disappointed
so your assistance would help us in this regard.**
