Camp Australia Sunshine Primary OSHC – November Newsletter

Dear Parents,

We are fast approaching the end of year 2021, I have been amazed & proud the way children have adjusted to a very challenging year. Below are pictures of how we celebrated Halloween. Decorating our room and using natural and recycled material making mini friendly Witches.

What's been happening?

Hama beads & Dramatic / imaginative Play have been the highlight experiences this month. Dramatic/imaginative play is a very important aspect of Children's development. It promotes physical development, provides opportunity for social and language skills, helps boost problem solving & self-regulation skills.

With the hama beads, children had such excitement and satisfaction completing their hama beads creations the beads are so tiny, and this does take time however the children a showing their perseverance with this experience. It is being requested daily. Hama beads enhance fine motor & cognitive skills, while also fosters social skills as the complete their task and chat with their peers. They choose patterns, colours, shapes and making their own designs. They had the use of tweezers controlling the use picking up beads and placing them on the board.

These Activities promote QA 1 & QA 4 and outcome 1 children have a strong sense of identity & 4 outcome 4 children are confident learners
