

# Your Outside School Hours Care at Sunshine Primary School

Join in the fun at Sunshine Primary School's Outside School Hours Care!

At *Your OSHC* we give children a supportive space to continue their development, build confidence and socialise with their friends. In any one week, children could be participating in science experiments, active play, creative expression and more.

Our exciting and varied *Rocketeer's* programs ensure that your child has the best school holidays. Any given day could see your child competing in a sport carnival, cooking up a storm, experimenting with science and getting hands-on with construction.

## Visits Welcome

Please feel free to stop by the program with your children to meet the team and see what happens in our great program each school day.
